

WHA Seeking Rental Units

The Housing Authority of the City of Wilmington, North Carolina (WHA) is seeking rental units varying in size from one to three-bedrooms, single-family homes OK.

WHA has a need to house residents displaced for extensive remediation projects underway on most of our sites. Expected need will last for 1 year+.

Landlords and property owners: this is an opportunity to secure a steady and reliable monthly rent payment while also giving a family a more permanent place to call home until they can be returned to a WHA unit. Contact Julia Shaw 910-341-7700, ext. 224 or jshaw@wha.net
