The Housing Authority of the City of Wilmington, NC (WHA) CEO Confirms no Families Remain in Hotels

Today, CEO Tyrone Garrett was able to inform the WHA Board of Commissioners that all one hundred and fifty (150) resident families impacted by the initial mold relocation are now out of area hotels. He commended the efforts of the entire WHA Team noting that the newly formed ROTC team in conjunction with the Property Management and Maintenance and HCVP Departments who lead this charge. He also recognized the support of the Board itself, and all the City and County Officials and Administrators who have played a vital role in this effort as WHA continues to improve and move forward.
